INDEPENDENT AUDITOR'S REPORT TO THE UNIT HOLDERS OF NIBL PRAGATI FUND

Report on the Audit of Financial Statements

A. Opinion

1. We have audited the accompanying financial statements of NIBL Pragati Fund ("the Mutual Fund") which comprise the statement of financial position as at 32 Ashadh 2079 (corresponding to 16 July 2022), the statement of profit or loss, the statement of other comprehensive income, the statement of changes in unit holders fund and the statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the financial statements referred to above, present fairly, in all material respects, the financial position of the Mutual Fund as of 32 Ashadh 2079 (16 July 2022), and its performances, changes in Unit Holders Fund and its cash flows for the year ended on that date in conformity with Nepal Financial Reporting Standards (NFRS) and comply with Securities Act 2063, Security Board Regulation 2064, Mutual Fund Regulations 2067 and Mutual Fund Guidelines 2069 and other prevailing legislations.

B. Basis for Opinion

3. We conducted our audit in accordance with Nepal Standards on Auditing (NSAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Mutual Fund in accordance with the Handbook of The Code of Ethics for Professional Accountants issued by the Institute of Chartered Accountants of Nepal (ICAN) and we have fulfilled our ethical responsibilities in accordance with the ICAN's Handbook of The Code of Ethics for Professional Accountants.
4. We believe that the audit evidence we have obtained is sufficient and appropriate to provide basis for our opinion.

C. Key Audit Matters

5. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matters	How the scope of our audit responded to the Key Audit Matter
Investment Decisions by the Fund Manager - The mutual fund manager makes investments on behalf of unitholders. The investment decisions as such shape a material portion of the scheme.	Our procedures included but were not limited to: - Evaluate the results and returns from the investments on an average. - On a sample basis, evaluate the performance of the investments in comparison to market returns.
Fees Payable to Supervisor, Manager and Depository - The material expenses for a mutual fund in Nepal largely relate to the fees payable to the supervisors, manager and depository. - Rule 23 of the Mutual Fund Regulations, 2067 (4th Amendment) issued by SEBON specifies the maximum limit of the fees so payable by a mutual fund scheme.	Our procedures included but were not limited to: - Review of the approved rates for the fees. - Evaluate the periodic gross net assets values factored to calculate the fees payable.

D. Other Information

6. The directors are responsible for the other information presented in the Mutual Fund's annual report. Our opinion on the financial statements does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. We have nothing to report in this respect.

E. Responsibilities of Management and Those Charged with Governance for the Financial Statements

7. Management is responsible for the preparation and fair presentation of these financial statements in accordance with the Nepal Financial Reporting Standards (NFRS), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
8. In preparing the financial statements, the management is responsible for assessing the Mutual Fund's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Mutual Fund or to cease operations or has no realistic alternative but to do so.
9. Those charged with governance are responsible for overseeing the Mutual Fund's financial reporting process.

F. Auditor's Responsibilities for the Audit of Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with NSAs will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of these financial statements.

11. As part of an audit in accordance with NSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:
 - 11.1 Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or the override of internal control. Evaluate appropriateness of accounting policies used and reasonableness of accounting estimates and related disclosures made by the management.
 - 11.2 Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up-to the date of our auditor's report. However, future events or conditions may cause the Mutual Fund to cease to continue as a going concern.
 - 11.3 Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. We communicated with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear our independence and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significant in the audit of the financial statement of the current period and therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonable be expected to outweigh the public interest benefits of such communication.

G. Report on Other Legal and Regulatory Requirements

15. On examination of the financial statements as aforesaid, we report that:

- 15.1 We have obtained all information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit as per NSA.
- 15.2 The statement of financial position as at 32 Ashadh 2079 (16 July 2022) , the statement of profit or loss, other comprehensive income, statement of changes in Unit Holders fund and statement of Cash flow for the year then ended on that date, and the attached summary of significant accounting policies and notes to accounts dealt and other explanatory information (thereafter referred to as "the financial statements") dealt with by this report are prepared in accordance with Securities Act 2063, Security Board Regulation 2064, Mutual Fund Regulations 2067 and Mutual Fund Guidelines 2069 and other prevailing legislations.
- 15.3 In our opinion, proper books of account as required by law have been kept by the Mutual Fund, in so far as appears from our examination of those books of account and the financial statements dealt with by this report, are in agreement with the books of accounts.
- 15.4 In our opinion and to the best of our information and according to the explanations given to us and from our examination of the books of account of the Mutual Fund, we have not come across the cases where the Board of Directors or the representative or any employee of the Mutual Fund has acted deliberately contrary to the provisions of the law relating to accounts or caused loss or damage to the Mutual Fund nor have, we been informed of any such case by the management.

Notes to the Financial Statements as of Ashad End 2079 (16th July 2022)

1. General Information of the Scheme

Fund	: NIBL Mutual Fund
Scheme	: NIBL Pragati Fund
Fund Sponsor	: Nepal Investment Bank Limited (NIBL) (Licensed by NRB as Class A bank)
Fund Management	: NIBL Ace Capital Limited (A subsidiary of Nepal Investment Bank Limited)
Fund Supervisors	: Dr. Bimal Prasad Koirala Dr. Shambhu Ram Simkhada Dr. Durgesh Man Singh CA. Jitendra Bahadur Rajbhandari Mr. Raju Nepal
Total Units of Scheme	: 75,000,000 (Seventy-five million units)
Total Unit Capital	: NPR 750,000,000 (NPR Seven hundred fifty Million)
Scheme type	: Close-ended

NIBL Pragati Fund (the Scheme) under NIBL Mutual Fund (the Fund) is registered under Mutual Fund Regulations, 2067 as a closed-end, diversified investment scheme. The objective of the Fund is to diligently manage the fund with the aim to achieve high return for unit holders, growth of both capital and income from investment in shares and conservation of capital. The Scheme commenced its operation on 27th Poush 2073 (Scheme allotment date) B.S. with maturity period of 7 years (i.e. 26th Poush 2080 B.S.). It was listed in NEPSE on 6th Chaitra, 2073. The Scheme's Financial Statements for the year 2078/79 were approved by the Board of Directors of the NIBL Ace Capital Limited on 9th Bhadra, 2079 being the Fund Management and Depository Company. Similarly, the Fund Supervisors' consent on the approved Financial Statements has also been duly obtained.

Nepal Investment Bank Limited (NIBL) is the Fund Sponsor and NIBL Ace Capital Limited (NIBL Ace Capital), a subsidiary of NIBL duly licensed by Securities Board of Nepal (SEBON), has been appointed as the Fund Manager of the Scheme by the Sponsor after obtaining due approval from SEBON. Further, the Fund Manager is also providing Depository services to the unit holders of the Scheme in line with the prevailing regulations on mutual fund.

The Unit Capital of the Scheme comprises of the following:

Holder	Status	No. of Units	Holding Amount at Par	Holding (%)
Nepal Investment Bank	Fund Sponsor	10,250,000	102,500,000	13.66
NIBL Ace Capital Limited	Fund Manager & Depository	1,000,000	10,000,000	1.34
General Public		63,750,000	637,500,000	85
Total		75,000,000	750,000,000	100

2. Summary of Significant Accounting Policies

The Principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied unless otherwise stated.

2.1. Statement of Compliance:

The Financial Statements are presented in Nepalese Rupees, rounded to the nearest Rupee. The Financial Statements have been prepared in accordance with Nepal Financial Reporting Standards (NFRS). Further the financial statements are in compliance with Securities Act, 2063 and its regulation and other relevant laws.

2.2. Basis of Preparation

The fund while complying with the reporting standards, makes critical accounting judgment as having potentially material impact on the financial statements. The significant accounting policies that relate to the financial statements as a whole along with the judgments made are described herein.

Where an accounting policy is generally applicable to a specific item, the policy is described within that relevant note. NFRS requires the fund to exercise judgment in making accounting estimates. Description of such estimates has been given in the relevant sections wherever they have been applied.

The financial statements are prepared on the basis of fair value measurement of assets and liabilities.

The statement of financial position is presented on liquidity basis. Assets and liabilities are presented in decreasing order of liquidity. All balances are expected to be recovered or settled within twelve months, except for investments in financial assets and net assets attributable to unit holders.

2.3. Reporting Pronouncements

The fund has, for the preparation of financial statements, adopted the NFRS pronounced by ASB. NFRS conform, in all material respect, to International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB).

2.4. Accounting Conventions

The financial statements have been prepared on a historical cost basis, as modified by the revaluation of financial assets and liabilities at fair value through profit or loss.

NIBL MUTUAL FUND
NIBL Pragati Fund

NIBL ACE CAPITAL
Managing shares, Managing Investments
Kathmandu, Nepal

Page 2 of 23

The financial statements have been prepared on a going concern basis where the accounting policies and judgments as required by the standards are consistently used and in case of deviations disclosed specifically.

2.5. Presentation

The financial statements have been presented in the nearest Nepalese Rupees.

For presentation of the statement of financial position assets and liabilities have been bifurcated into current and non-current distinction.

The statement of profit or loss has been prepared using classification 'by nature' method.

The cash flows from operation within the statement of cash flows have been derived using the indirect method.

2.6. Presentation currency

Financial statements are denominated in Nepalese Rupees, which is the functional and presentation currency of the fund.

2.7. Accounting Policies and accounting estimates

The fund, under NFRS, is required to apply accounting policies to most appropriately suit its circumstances and operating environment. Further the fund is required to make judgment in respect of items where the choice of specific policy, accounting estimate or assumption to be followed could materially affect the financial statements. This may later be determined that a different choice could have been more appropriate.

Accounting policies have been included in the relevant notes for each item of the financial statements.

NFRS requires the fund to make estimates and assumptions that will affect the assets, liabilities, disclosure of contingent assets and liabilities, and profit or loss as reported in the financial statements.

The fund applies estimates in preparing and presenting the financial statements. The estimates and underlying assumptions are reviewed periodically. Revision to accounting estimates are recognized in the period in which the estimates is revised and are applied prospectively.

Disclosures of the accounting estimates have been included in the relevant section of the notes wherever the estimates have been applied along with the nature and effect of changes of accounting estimates, if any.

The Fund makes estimates and assumptions that affect the reported amounts of assets and liabilities within the next financial year. Estimates are continually evaluated and based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

2.8. Financial Periods

The fund follows the Nepalese financial year based on the Nepalese calendar.

2.9. Limitation of NFRS implementation

If the information is not available and the cost to develop would exceed the benefit derived, such exception to NFRS implementation has been noted and disclosed in respective section.

NIBL MUTUAL FUND
NIBL Pragati Fund

3. Cash and Cash Equivalents**Accounting policy**

- 3.1. For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash at bank.

Payments and receipts relating to the purchase and sale of investment securities are classified as cash flows from operating activities, as movements in the fair value of these securities represent the Fund's main income generating activity.

Explanatory notes

- 3.2. The carrying amount of cash and cash equivalents are representative of their fair values as at the respective reporting date

Particulars	32 Ashad 2079	31 Ashad 2078
Cash at Bank	142,557,670	223,333,560
Total	142,557,670	223,333,560

4. Financial Instruments**Accounting policy**

- 4.1 The Fund's principal financial assets comprise assets held at fair value through profit and loss, assets measured at amortized cost, loans and receivables. The main purpose of these financial instruments is to generate a return on the investment made by unit holders. The Funds' principal financial liabilities comprise accrued expenses and other payables which arise directly from its operations.

In Accordance with NFRS 9; Financial Instruments: Recognition and Measurement, the Fund's interest receivables are classified as 'Financial Assets measured at Amortized Cost'. Equity securities / debentures are classified as fair value through profit and loss. The amount attributable to unit holders is classified as equity and is carried at the redemption amount being net asset value. Payables are designated as 'other financial liabilities' at amortized cost.

4.2 Classification

The Fund's investments are classified as fair value through profit or loss, fair value at amortized cost and loans and receivables. They comprise:

Financial Assets and Liabilities Held at Fair Value through Profit or Loss

Financial assets, held for trading are recorded in the statement of financial position at fair value. Changes in fair value are recognized through profit or loss. This classification includes quoted equity securities held for trading. The dividend income from the quoted equity securities is recorded in the profit or loss.

Recognition / De- recognition

The Fund recognizes financial assets and financial liabilities on the date it becomes party to the contractual agreement (trade date) and recognizes changes in fair value of the financial assets or financial liabilities from this date.

Investments are derecognized when the right to receive cash flows from the investments have expired or the Fund has transferred substantially all risks and rewards of ownership.

Financial liabilities at fair value through profit or loss are derecognized when the obligation specified in the contract is discharged or expired.

Realized gains and realized losses on de-recognition are determined using the weighted average method and are included in the profit or loss in the period in which they arise. The realized gain is the difference between an instrument's weighted average cost and disposal amount.

4.3 Measurement

a. Financial Assets and Liabilities Held at Fair Value through Profit or Loss

At initial recognition, the Fund measures a financial asset at its fair value.

Subsequent to initial recognition, all financial assets and financial liabilities at fair value through profit or loss are measured at fair value. Gains and losses arising from changes in the fair value of the 'financial assets or financial liabilities at fair value through profit or loss' category is presented in the statement of comprehensive income within net gains/(losses) on financial instruments held at fair value through profit or loss in the period in which they arise.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of financial assets and liabilities traded in active markets is subsequently based on their quoted market prices at the end of the reporting period without any deduction for estimated future selling costs. The quoted market price used for financial assets held by the Fund is the closing price.

The fair value of financial assets and liabilities that are not traded in an active market are determined using valuation techniques.

b. Financial Assets Measured at Amortized Cost

Financial assets at this category are measured initially at fair value plus transaction costs and subsequently amortized using the effective interest rate method, less impairment losses if any. Such assets are reviewed at the end of each reporting period to determine whether there is objective evidence of impairment.

If evidence of impairment exists, an impairment loss is recognized in profit or loss as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the original effective interest rate.

If in a subsequent period the amount of an impairment loss recognized on a financial asset carried at amortized cost decreases and the decrease can be linked objectively to an event occurring after the write-down, the write-down is reversed through profit or loss.

NIBL MUTUAL FUND
NIBL Pragati Fund

Page 5 of 23

NIBL ACE CAPITAL
Managing share. Managing investment.
Kathmandu, Nepal

Receivables may include amounts for dividends, interest and trade receivables. Dividends are accrued when the right to receive payment is established. Interest is accrued at the end of each reporting period from the time of last payment in accordance with the policy set out in note 2(6) above.

Receivable are recognized and carried at amortized cost, less a provision for any uncollectable debts. An estimate for doubtful debt is made when collection of an amount is no longer probable.

Recoverability of receivable is reviewed on an ongoing basis at an individual portfolio level. Individual debts that are known to be uncollectable are written off when identified. An impairment provision is recognized when there is objective evidence that the Fund will not be able to collect the receivable. Financial difficulties of the debtor, default payments are considered objective evidence of impairment. The amount of the impairment loss is the receivable carrying amount compared to the present value of estimated future cash flows, discounted at the original effective interest rate.

4.4 Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

published on a national daily newspaper and uploaded on the website of the Fund Manager with prior notification of the same forwarded to the Fund Supervisors & SEBON in writing.

Each unit represents a right to an individual share in the Fund and does not extend to a right to the underlying assets of the Fund. There are no separate classes of units and each unit has the same rights attaching to it as all other units of the Fund. The Fund considers its net assets attributable to unit holders as capital (which includes unit capital, realized and unrealized gain), notwithstanding net assets attributable to unit holders are classified as a liability. The amount of net assets attributable to unit holders can change significantly on a daily basis as the Fund is subject to daily changes in Market Price of Share at Nepal Stock Exchange.

Distribution to unit holders is recognized in the statement of changes in unit holders' funds. Income not distributed is included in net assets attributable to unit holders.

Particulars	32 Ashad 2079	31 Ashad 2078
Units Holders' Fund at the beginning of the Year/Period	1,366,613,617	739,658,968
Increase in Net Assets Attributable to Unit Holders	(209,806,417)	626,954,649
Distribution to Unit Holders	(375,000,000)	-
Units Holders' Fund at the end of the Year/Period	781,807,200	1,366,613,617

7. Investment Income

Accounting Policy

- 7.1 Interest income is recognized in profit or loss for all financial instruments that are not held at fair value through profit or loss using the effective interest method. Interest income on assets held at fair value through profit or loss is included in the net gains/ (losses) on financial instruments.

The effective interest method is a method of calculating the amortized cost of a financial asset or financial liability and of allocating the interest income or interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts throughout the expected life of the financial instrument, or a shorter period where appropriate, to the net carrying amount of the financial asset or liability. When calculating the effective interest rate, the Fund estimates cash flows considering all contractual terms of the financial instrument but does not consider future credit losses. The calculation includes all fees paid or received between the parties to the contract that are an integral part of the effective interest rate, including transaction costs and all other premiums or discounts.

Dividend income is recognized on the ex-dividend date.

Explanatory notes

7.2 Interest Income

Particulars	32 Ashad 2079	31 Ashad 2078
Interest on Bank Deposits	4,448,027	7,923,977
Interest on Fixed income instruments	9,450,000	-

7.3 Dividend Income

Particulars	32 Ashad 2079	31 Ashad 2078
Dividend Income Realized	1,252,874	3,005,097
Total	1,252,874	3,005,097

8. Expenses

All expenses, including management fees supervisor fees and depository fees, are recognized in profit or loss on accruals basis.

The management participation fees of the fund of the period 1st Shrawan 2078 to 32nd Ashad 2079 are as follows:

- Fund Management Fees : 1.5% of Net Assets Value (NAV)
- Depository Fees : 0.2% of NAV
- Fund Supervisor Fees : 0.12% of NAV

Total Fund Management, Depository & Fund Supervisor's Fees are calculated and recognized as per the Mutual Fund Regulation 2067 and Mutual Fund Guidelines, 2069.

Total Fund Management, Depository & Fund Supervisor's Fees calculated on the basis of 365 days a year is presented in Nepalese currency and charged as under:

Particulars	FY 2078/79	FY 2077/78

Total	17,243,987	19,495,401

9. Income Tax

Income Tax Act, 2058 has not specifically charged corporate tax liability on Mutual Fund. TDS is not applicable on withholding tax on interest, dividend income and gain on disposal of shares of Mutual Fund Scheme. Accordingly, Mutual Fund Scheme is not considered as tax-entity and corporate tax on Fund is not considered. However, the Office of the Auditor's General in its 56th Annual Report has raised concern on taxability of the mutual fund. Further, the finance ordinance of FY 2078/79 has included Mutual Fund under Section 10 of the Income Tax Act, 2058 as tax exempt entities. TDS on return from mutual fund (i.e.; dividend) paid to individual is deducted at 5% which is final and to entity is tax deducted at 15% (which is not final). Therefore, the fund management is of the view that return from the fund is duly taxed as per the principal of income tax and is not subject to further tax liability for FY 2078/79.

10. Distributions

The distributions, if any to unit holders are recognized in statement of changes in unit holders' funds.

11. Financial Risk Management

The Fund's activities are exposed to a variety of financial risks: market risk (including price risk and interest rate risk), credit risk and liquidity risk.

The Fund's overall risk management program focuses on ensuring compliance with the Fund's investment policy. It also seeks to maximize the returns derived for the level of risk to which the Fund is exposed and seeks to minimize potential adverse effects on the Fund's financial performance.

All securities investments present a risk of loss of capital. The maximum loss of capital on long equity and debt securities is limited to the fair value of those positions.

The management of these risks is carried out by the NIBL Ace Capital Limited, the fund management company. The fund supervisors provide principles for overall risk management, as well as written policies covering specific areas, such as interest rate risk, credit risk and non-derivative financial instruments and the investment of excess liquidity.

The Fund uses different methods to measure and mitigate different types of risk to which it is exposed.

11.1. Market Risk

a. Price Risk

The Fund is exposed to equity securities price risk. This arises from investments held by the Fund for which prices in the future are uncertain. Paragraph below sets out how this component of price risk is managed and measured. Investments are classified in the statement of financial position as at fair value through profit or loss and loans and receivables. All securities investments present a risk of loss of capital. The maximum risk resulting from financial instruments is determined by the fair value of the financial instruments.

The Fund's policy is to manage price risk through diversification and selection of securities and other financial instruments within specified limits set by the management company.

All of the Fund's equity investments in companies are listed in NEPSE. The Fund's policy requires that the overall market position is monitored on a daily basis by the Fund Management Company.

Investment Threshold

As per the Mutual Fund Regulation, 2067 (Third Amendment) investment in Fixed deposit cannot be made more than 15% of total fund size or NAV of the scheme.

b. Foreign Exchange Rate Risk

The Fund is not exposed to the fluctuations in exchange rates as all investments and transactions of the fund are made in investments denominated in NPR.

c. Cash Flow and Fair Value Interest Rate Risk

The Fund is exposed to cash flow interest rate risk on financial instruments with variable interest rates.

Financial instruments with fixed rates expose the Fund to fair value interest rate risk. The Fund's interest bearing financial assets expose it to risks associated with the effects of fluctuations in the prevailing levels of market interest rates on its financial position and cash flows. The risk is measured using sensitivity analysis.

The Fund has direct exposure to interest rate changes on the valuation and cash flows of its interest-bearing assets and liabilities. However, it may also be indirectly affected by the impact of interest rate changes on the earnings of certain companies in which the Fund invests and impact on the valuation of certain assets that use interest rates as an input in their valuation model.

11.2. Credit Risk

The Fund is exposed to credit risk, which is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation.

The main concentration to which the Fund is exposed arises from the Fund's investments in debt securities. However, there is no investment in debt securities.

Credit risk on cash and cash equivalents, other receivable balances.

In accordance with the Fund's policy, the Management Company monitors the Fund's credit position on a daily basis. The Fund can maximize the returns derived for the level of risk to which the Fund is exposed. The table below is a summary of the significant sector concentrations within the equity portfolio.

For FY 2078/79:

Sector	Value	Cost	Proportionate Exposure	Growth%
Commercial Banks	142,966,469	209,714,535	22.65%	-31.83%
Development Banks	6,055,704	9,001,190	0.96%	-32.72%
Hotels	1,215,000	1,434,875	0.19%	-15.32%
Hydro Power	17,281,937	21,523,563	2.74%	-19.71%
Investment	36,967,920	43,959,367	5.86%	-15.90%

Total	1,117,638,137	889,640,241	100.00%	

11.3. Liquidity Risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous.

The Fund is exposed to daily cash redemptions of redeemable units. Its policy is therefore to invest the majority of its assets in investments that are traded in an active market or can be readily disposed.

The Fund's listed securities are considered readily realizable, as all are listed on the Nepal Stock Exchange.

The Fund has the ability to borrow in the short term to ensure settlement. No such borrowings have arisen during the period.

In accordance with the Fund's policy, the Management Company monitors the Fund's liquidity position on a regular basis.

12. Fair Value Measurement

The Fund measures and recognizes the following assets and liabilities at fair value on a recurring basis:

The Fund has no assets or liabilities measured at fair value on a non-recurring basis in the current reporting period:

NFRS 13 requires disclosure of fair value measurements by level of the following fair value hierarchy;

- quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (level 2); and
- inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

i. Fair value in an active market (level 1)

The fair value of financial assets and liabilities traded in active markets is based on their quoted market prices at the end of the reporting period without any deduction for estimated future selling costs.

The Fund values its investments in accordance with the accounting policies set out in note 2 to the financial statements. For the majority of its investments, the Fund relies on information provided by independent pricing services for the valuation of its investments.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from NEPSE and are traded frequently.

ii. **Fair value in an inactive or unquoted market (level 2 and level 3)**

The fair value of financial assets and liabilities that are not traded in an active market is determined using valuation techniques.

Equities which are listed but no transactions are made within last 30 days is valued at 180 days Average Market price provided by NEPSE and Equities which are listed but no transactions are made within last 180 days is valued at last traded price of the stock at NEPSE considering it as level two input.

Listed stocks that are not trading due to suspension by NEPSE citing Merger, Acquisition, Natural calamity and/or any other reasons is valued at the Closing Price available of particular stock of the last day of its trading on NEPSE.

The Fair value of IPO Investments after allotment till listing, is valued applying the valuation model as specified below:

- I) 50% of the Latest Net Worth Published by the Company.
- II) 50% based on the Earnings Capitalization, based on the projections of the company by considering latest interest rate of the Government Bonds after applicable tax deductions as discount factor which is considered as level 3 input.

After the book closure date and till the rights are listed, right entitlements are valued as difference between the right price and ex-right price. This is explained with the help of following formula:

$$V_r = n / m \times (P_{ex} - P_{of})$$

Where

V_r = Value of Rights

n = Number of rights offered

m = Number of original shares held

P_{ex} = Ex-right price

P_{of} = Rights offer price

Valuation of total Right Entitlement = $V_r \times \text{No. of shares held before Ex- date}$

13. **Net Gain/Losses on financial Assets held at fair value through profit or loss**

a. **Accounting policy**

Realized gain is the difference between the cost price and realized price on the sale of the shares after deducting the selling expenses.

Unrealized gain is the difference between the cost price and the closing market price available at the end of the reporting period or the latest trading price if the closing price as on the year end is not available.

b. Explanatory notes

Particulars	FY 2078/79	FY 2077/78

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.1 million (Office for National Statistics 1999). The number of people aged 65 and over is projected to increase to 6.5 million by 2011, and the number of people aged 75 and over to 4.5 million (Office for National Statistics 1999).

There is a growing awareness of the need to develop services to meet the needs of older people, and a number of initiatives have been developed to address this need. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to improve the lives of older people. The strategy is based on three main principles: (1) to ensure that older people have the opportunity to live independently and actively; (2) to ensure that older people have access to the services and support they need; and (3) to ensure that older people are treated with respect and dignity.

The strategy is based on three main principles: (1) to ensure that older people have the opportunity to live independently and actively; (2) to ensure that older people have access to the services and support they need; and (3) to ensure that older people are treated with respect and dignity.
